

Casual Bearer / Driver

We are looking for someone to join our team who is able to assist with driving and bearing. This is occasional casual work. It would suit someone who already has sufficient income to live on but who would like the interest of doing a very worthwhile job on an occasional basis. You will need to be physically fit, be smart in appearance, have a great deal of sensitivity. You also need to have good availability during daytime hours and ideally, be prepared to work out of hours when required.

Nature of the Job

Normally this will involve you meeting up at one of our premises (on Halifax Road or Gleadless Mount), at our garage unit in Dronfield, or directly at the venue of the funeral (Usually a crematorium, cemetery, or church). You will bear either with other **Peace Funerals** staff or with family members and will be required to carry the coffin into the ceremony and, in the case of burial, on to the graveside, where you may also be involved in lowering the coffin.

Although much of the work will be Sheffield based, as **Peace Funerals** sometimes operates outside its own area, there will occasionally be the opportunity to work further afield.

Training

No previous experience is necessary as you will be given training on how to do the job and on health and safety matters.

Payment

Payment is made per session.

Bearing & Driving:	Up to 2 hours:	£23
	Thereafter	£11.50 per hour

How to apply

Please complete the attached application and availability forms and send them to the following address:
